

**39<sup>th</sup> Annual Stand Up for America Day**

**April 24, 2010**

The City of Port Wentworth is currently planning for the 39<sup>th</sup> annual Stand Up for America Day patriotic celebration that will be held on April 24, 2010. This year's activities are scheduled to kick – off with the parade at 10:00 AM followed by a street rally at 12:15 at the Cantyre Street festival site. Starting at 1:00 PM, we will have a variety of events including gospel music, kiddie rides and other entertainment. Starting at 7:00 PM and running until 11:00 PM, there will be a street dance with live music and entertainment designed for the whole family that will include a fireworks show at 9:15 PM. Over the past few years, this event has grown in size and vendor space is limited so be sure to sign up early this year. Please note that all food vendors will be required to meet Chatham County Health Department guidelines. For more information on these guidelines, the Health Department can be reached at (912) 356-2160. Also, any vendor needing power will need to pay the fee required for each electrical item. There are a limited number of outlets available and they will be rented out to the first vendors to make payment. Once all outlets are rented, Port Wentworth will no longer be able to provide electrical power. Port Wentworth will not provide generators.

Vendors will need to supply their own tables, chairs, tent and electrical cords. There is still a limited number of spaces with electrical access available. Vendors are reminded that this is a family event and that all items being sold should be appropriate for this family event. We will not allow the sale of the following items; toy guns, candy cigarettes, bomb bags, stink bombs, knives, fireworks or any inappropriate t-shirt designs or logos. These limitations will be strictly enforced and any vendors that fail to abide by these rules will be removed from the festival site and will not be invited to return in the future. All fees are non-refundable after April 9, 2010.
